

F. B. CATE REAL ESTATE AGENCY

In looking over our large list of real estate placed with us to be disposed of this coming spring, we find in order to dispose of the same, we must place a very low price on every piece we offer, and we have convinced the several owners that it is best to cut the price to the very lowest, so no matter what you want to buy you will find us a help to you.

If you are thinking of going on to a farm in the spring it is well to be looking for the right one and be ready to commence work as soon as the season is ready. We have a large number on our list and no doubt some one of them is just the one you want. Come in and look over our list of city property. Let us show you a sample of granite from a quarry we have listed with none better on the hill.

Our office is open evenings (except Thursday evenings) and our team is always ready to show you the property. Remember the place,

ABOUT THE STATE.

Items of Interest Gleaned from Our Exchanges.

Alice L. Haggood of Bellows Falls, has recently been granted a patent on a measure; and Charles M. Lyman, of Rutland, on a stone channeling machine.

Two cows belonging to Riley Baker, of Wallingford, gave birth the same day this week to twins and triplets respectively. The seven animals are alive and healthy.

Mr. Flint of Newport drew into town recently the largest piece of granite of the season. It took eighteen horses to haul it. It was taken from his quarry in Derby and was twenty-seven feet long, seven feet wide, and fifteen inches thick. It was shipped away.

During the conference year now closing, the Rev. Dr. Bostwick Hawley, a former pastor of the Bennington Methodist church now residing in Saratoga Springs, N. Y., and 92 years old, performed seven marriages, baptized one person, and officiated at twenty-six funerals.

Josiah Cowles, of New Haven, who is 83 years old, has attended every town meeting since he became of age. He has held the position of lister and selectman and served eighteen years as postmaster. Mr. Cowles is the only one of the original trustees of Beeman Academy living.

Recent army orders announce that Capt. Charles J. Bailey, Art. Corps., is ordered before an examining board at Fort Monroe, Hampton Roads, Va., for examination for promotion. Captain Bailey was instructor in military science and tactics in the University of Vermont, Burlington, before the war with Spain.

Articles of association have been filed in the office of the secretary of state at Montpelier as follows: The Owl's Head Creamery Co. of Enosburg Falls, with a capital stock of \$10,000; the Danby Cornet band, with a capital stock of \$1,400; the Syndicate Clothing Co. of Burlington, with a capital stock of \$50,000; the Congregational church of Pittsford and the Bridport grange.

The annual dinner of the Boston Alumni Association of Montpelier seminary will be held at Hotel Bellevue, Boston, Thursday evening, March 23. The dinner will be served at 6 o'clock, preceded by a reception. The Rev. Dr. E. A. Bishop, principal of the institution, Miss Emily Glover and others from the school will be present. Following the dinner Bishop Mallahan will give a brief address.

Henry Rowley of Burlington has brought suit against the Consolidated Rendering Co. of that city for damages of \$5,000. Rowley claims that he was kicked by a horse while in the discharge of his duties and thereby seriously injured, and claims that the company is responsible for the accident because of the faulty construction of the stalls and for not paying proper attention to the safety of the employees. The case will be tried at the September term of county court.

The new iron bridge between Bellows Falls and North Walpole, N. H., was completed, planked, and painted Wednesday night and ready to turn over to the inspectors Thursday. As soon as accepted by the bridge committee the bridge will be thrown open to public travel. This will be an important event in the history of the towns of Walpole and Rockingham and yet an effort to celebrate the occasion in a befitting manner makes slow progress. North Walpole is ready to do its share, and unless there is a change in the programme will have to do all the celebrating. Members of the bridge committee in Bellows Falls say there is no enthusiasm there, and no marked increase in temperature has been noted at the south end of Walpole.

Murder Case in Essex County Court.

The March term of Essex county court will open at Guildhall Tuesday, March 28, with the Hon. Seneca Haskell, of Burlington, as presiding judge. The docket discloses nine cases assigned for the jury and ten cases to be tried by the court. The case of State vs. Reuben Bronson of Bloomfield will also be heard at this time. Bronson was indicted by the grand jury last October for the murder of Charles Lyons at Bloomfield March 31, 1904. The term therefore promises to be more extended than is usual for a March term.

SOFTNESS OF SEALSKIN.

Is Rivalled by Human Hair Where Dandruff is Eradicated.

Sealskin is admired the world over for its softness and glossiness; and yet the human hair is equally as soft and glossy when healthy; and the radical cause of all hair trouble is dandruff, which is caused by a pestiferous parasite that saps the vitality of the hair at its root. Newbro's Herpicide is the only preparation that is fatal to the dandruff germ. Without dandruff there is no falling hair, but a luxuriant growth of glossy, soft hair is certain. Scouring the scalp won't cure dandruff. Kill the dandruff germ. Thousands of women owe their beautiful suits of hair to Newbro's Herpicide. Sold by leading druggists. Send 10c. in stamps to The Herpicide Co., Detroit, Mich.

Dates of Lamotte Valley Fair Changed

The management of the Lamotte Valley fair has thought best to materially change the date of this annual event and this year the fair will be held the last three days in August, which is nearly a month earlier than usual. The fair ground company is also planning to hold a big celebration on the fair grounds July 4 and will make early preparations for the event.

FOR POOR OF ONE CHURCH.

Burlington Woman Gives \$1,000 to Be Applied by Pastor of St. Paul's.

Burlington, March 21.—The will of the late Julia H. Beckwith of Burlington was established in probate court yesterday. One of its provisions is a bequest to St. Paul's church of \$1,000 to be known as the "George W. and Julia H. Beckwith Fund," the interest of which is to be used for the poor people of the church at the discretion of the pastor. Miss Margaret Chestnut was appointed executrix.

The Colonel's Waterloo.

Colonel John M. Fuller of Honey Grove, Texas, nearly met his Waterloo, from liver and kidney trouble. In a recent letter he says: "I was nearly dead of these complaints and, although I tried my family doctor, he did me no good; so I got a 50c bottle of your great Electric Bitters, which cured me. I consider them the best medicine on earth and thank God who gave you the knowledge to make them." Sold and guaranteed to cure dyspepsia, biliousness and kidney disease, by the Red Cross Pharmacy and Farrier Drug Store at 50c per bottle.
